**No. 2891**

**Introduced by Assembly Member Low**

February 18, 2022

---

An act to amend Section 1798.145 of the Civil Code, relating to privacy.

LEGISLATIVE COUNSEL'S DIGEST

AB 2891, as introduced, Low. California Consumer Privacy Act: exemptions.

Existing law, the California Consumer Privacy Act of 2018 (CCPA), grants a consumer various rights with respect to personal information, as defined, that is collected or sold by a business, as defined, including the right to require the business to delete personal information about the consumer, as specified. Existing law provides that the obligations the CCPA imposes on businesses shall not restrict a business' ability to, among other things, comply with state law.

Existing law, the California Privacy Rights Act of 2020, approved by the voters as Proposition 24 at the November 3, 2020, statewide general election (Proposition 24), amended, added to, and reenacted the CCPA. The CCPA, as amended by Proposition 24, provides that certain exemptions to obligations imposed on businesses by specified provisions of the CCPA would expire on January 1, 2023.

Existing law, until January 1, 2023, exempts from certain provisions of the CCPA personal information reflecting a communication or a transaction between the business and a company, partnership, sole proprietorship, nonprofit, or government agency that occur solely within the context of the business conducting due diligence or providing or receiving a product or service. Existing law also exempts personal

information that is collected and used by a business solely within the context of having an emergency contact on file, administering specified benefits, or a person's role or former role as a job applicant to, an employee of, owner of, director of, officer of, medical staff member of, or an independent contractor of that business.

This bill would extend those above-described exemptions until January 1, 2026.

This bill would declare that its provisions further the purposes and intent of Proposition 24.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

1     SECTION 1. Section 1798.145 of the Civil Code, as amended  
2     by Chapter 700 of the Statutes of 2021, is amended to read:  
3     1798.145. Exemptions  
4     (a) The obligations imposed on businesses by this title shall not  
5     restrict a business' ability to:  
6     (1) Comply with federal, state, or local laws or comply with a  
7     court order or subpoena to provide information.  
8     (2) Comply with a civil, criminal, or regulatory inquiry,  
9     investigation, subpoena, or summons by federal, state, or local  
10    authorities. Law enforcement agencies, including police and  
11    sheriff's departments, may direct a business pursuant to a law  
12    enforcement agency-approved investigation with an active case  
13    number not to delete a consumer's personal information, and, upon  
14    receipt of that direction, a business shall not delete the personal  
15    information for 90 days in order to allow the law enforcement  
16    agency to obtain a court-issued subpoena, order, or warrant to  
17    obtain a consumer's personal information. For good cause and  
18    only to the extent necessary for investigatory purposes, a law  
19    enforcement agency may direct a business not to delete the  
20    consumer's personal information for additional 90-day periods. A  
21    business that has received direction from a law enforcement agency  
22    not to delete the personal information of a consumer who has  
23    requested deletion of the consumer's personal information shall  
24    not use the consumer's personal information for any purpose other  
25    than retaining it to produce to law enforcement in response to a  
26    court-issued subpoena, order, or warrant unless the consumer's

1 deletion request is subject to an exemption from deletion under  
2 this title.

3 (3) Cooperate with law enforcement agencies concerning  
4 conduct or activity that the business, service provider, or third  
5 party reasonably and in good faith believes may violate federal,  
6 state, or local law.

7 (4) Cooperate with a government agency request for emergency  
8 access to a consumer's personal information if a natural person is  
9 at risk or danger of death or serious physical injury provided that:

10 (A) The request is approved by a high-ranking agency officer  
11 for emergency access to a consumer's personal information.

12 (B) The request is based on the agency's good faith  
13 determination that it has a lawful basis to access the information  
14 on a nonemergency basis.

15 (C) The agency agrees to petition a court for an appropriate  
16 order within three days and to destroy the information if that order  
17 is not granted.

18 (5) Exercise or defend legal claims.

19 (6) Collect, use, retain, sell, share, or disclose consumers'  
20 personal information that is deidentified or aggregate consumer  
21 information.

22 (7) Collect, sell, or share a consumer's personal information if  
23 every aspect of that commercial conduct takes place wholly outside  
24 of California. For purposes of this title, commercial conduct takes  
25 place wholly outside of California if the business collected that  
26 information while the consumer was outside of California, no part  
27 of the sale of the consumer's personal information occurred in  
28 California, and no personal information collected while the  
29 consumer was in California is sold. This paragraph shall not  
30 prohibit a business from storing, including on a device, personal  
31 information about a consumer when the consumer is in California  
32 and then collecting that personal information when the consumer  
33 and stored personal information is outside of California.

34 (b) The obligations imposed on businesses by Sections 1798.110,  
35 1798.115, 1798.120, 1798.121, 1798.130, and 1798.135 shall not  
36 apply where compliance by the business with the title would violate  
37 an evidentiary privilege under California law and shall not prevent  
38 a business from providing the personal information of a consumer  
39 to a person covered by an evidentiary privilege under California  
40 law as part of a privileged communication.

1 (c) (1) This title shall not apply to any of the following:

12 involving the collection, maintenance, disclosure, sale,  
13 communication, or use of such information by that agency,  
14 furnisher, or user is subject to regulation under the Fair Credit  
15 Reporting Act, Section 1681 et seq., Title 15 of the United States

23 standardized assessment or educational assessment or a consumer’s
