## DAY 2 MONDAY, FEBRUARY 17, 2025

8:00 AM **Breakfast and Introductory Remarks**  
Miami Ballroom

**Breakout Session 1**  
9:00 AM **US Privacy Law: New Developments**  
Nearly 40% of states have consumer privacy laws, and states are passing more topical privacy laws dealing with biometric data, data brokers, AI, children's privacy, and health data. The FTC rulemaking continues apace. And there's always the possibility of a comprehensive federal privacy law. What strategies should be taken to address this complicated and evolving thicket of regulation? Additionally, antitrust and privacy issues are increasingly arising. How should these issues be addressed?

10:15 AM **Refreshments**

**Breakout Session 2**  
10:45 AM **Artificial Intelligence**  
AI laws are starting to take shape. We now have the EU AI Act and the Colorado AI Act. Are these new laws up to the task of regulating AI? What strategies should be taken to address AI internally in such a nascent legal landscape? Should existing privacy laws be changed in light of AI?
