Complex Digital Events**  
Kroll

# How Can You Partner?

1

Proactive Partnership

2

Cooperation During an Incident or Event

3

Follow-On Collaboration

# Key Takeaways

- Don't be shy about engaging proactively with law enforcement – relationships and information are useful before you have an incident!
- In our experience, law enforcement wants to help to the extent they're able, and they can provide valuable intelligence.
- Know which agencies can be helpful and who to contact.
